

Open Call Paid Dance Residencies at Tanzpunkt Hannover (Germany)

Tanzpunkt Hannover e.V. will award **three one-week residencies this year to contemporary dance artists with a solo choreographic work.**

Topics can be freely selected, prerequisite is a minimum of one year previous professional experience.

As invited resident dancer you will be asked to offer one class to the local dance community. You can freely choose the structure and topic focus of the class (e.g. an improvisation class on your own research topic, a repertoire class on your own material or the testing of ideas on new material with several dancers).
In addition, you will have the opportunity to show some work in progress developed during the residency at an open stage in Hanover or surroundings.

We look forward to open applicants (m/f/d) who are interested in getting to know the Tanzpunkt community in Hanover and making new contacts in addition to their choreographic work.

Designated time period

one of the following three weeks:

August 1 to 7, 2022 | August 8 to 14, 2022 | August 15 to 21, 2022

More info on the following pages.

Our services

- **Dance studio/studio stage for free use** during one week.
- **Free accommodation** for the invited dancer / choreographer (apartment for one person).
